## 6. JJIF Sporting Code

**Proposal for the SEEDING for W.Ch. and Cont. Ch.  
(to propose to the JJIF):**

1st criteria: Competitors from same country will meet in Semi Final (even if both are seeded)

## 6. JJIF Sporting Code

### **Proposal for Seeding at Ranking tournaments**

1st criteria: Ranking List (1st 4 present)

2nd criteria: Bye for seeded competitors bye in first round for seeded competitors if possible.

## 6. JJIF Sporting Code

### Seeding preferences

Shall we do seeding at all? YES (10:3 votes)

Majority of TC participants state that the seeding by Ranking is most important (15)

Separation of athletes from same JJNO has a minor priority (7)

To determine the “bye” was not supported from the Technical Congress (1)

## 6. JJIF Sporting Code

### **The public Draw**

Takes more time and there are still mistakes

### **No public draw / en Block draw**

Draw will be done by computer and published

Up to a certain predefined time issues can be reported  
(like f.i. 1 or 2 hours after published)

Redraws can be done but not full redraw

Proposal will be that there will no more be held a public draw

(or maybe only for senior World and Continental championships)

## 6. JJIF Sporting Code

### Call of athletes

A countdown shall be installed for the call of athletes to have clear the NO SHOW (Fusen Gachi) time.

Can only be used if Match Caller system works properly and there is good overview.

(example Balkan open ...  
system worked well but too many people in that area so  
no real control.

One time somebody unplugged the network cable in  
the warm up ... no updates )

# Tournament Registration / Draw

2. New gesture when an athlete grabs the opponent's sleeves or pant legs with one or more fingers placed inside the garment.

4. If while attacking from top position, such as an armbar, for example, the athlete ends up on bottom and does not use his/her legs to prevent the opponent from reaching side-control, no points or advantages shall be awarded for the guard pass, according to the definition of guard
5. When an athlete applies a takedown or series of takedowns and the opponent returns to their feet before stabilization is achieved on the ground. The advantage shall only be awarded when there is no longer a possibility of completing the takedown attempt

# 17 Jiu-Jitsu (Ne-Waza)

6. When the athlete passing guard stacks the opponent, or allows the opponent to roll back his/herself, controlling the opponent's back in four-point-kneeling position and maintaining at least one knee on the ground, without needing to place hooks: ADVANTAGE

7. When starting from guard (or from pulling guard) the athlete achieves half-guard control over the opponent, but does not solidify the pass in the ensuing sequence: ADVANTAGE

8. When the athlete unbalances the opponent through a sweep attempt and reaches top position, but is unable to stabilize the position for 3 seconds: ADVANTAGE

9. The athlete who initiates a sweep movement, but deliberately gives up the top position in order to preserve a defensive position, shall not be awarded an advantage for the sweep

10. No advantage shall be awarded when an athlete attempting a single-leg takedown traps the opponent's leg and drags the opponent to outside the combat area, obliging the referee to interrupt the combat.

# 17 Jiu-Jitsu (Ne-Waza)

11.( NEW TEXT ADD 20 SEC FOR PANTS ADJUST) When an athlete takes more than 20 seconds to re-adjust their(his/her) uniform, they shall be penalized in a consecutive manner (20 seconds for Gi top and belt, 20 seconds for identification belt, and 20 seconds for tying the drawstring of the pants, when necessary).
